ANNOUNCES FOR
Justice of
the Peace
BEAT 5-POST 2

I would like to take this opportunity to announce my candidacy for Justice of the Peace, Beat 5, Post 2.

I was born and reared in Hancock County and have always been a believer of proper government, as practiced through my 12 1/2 year period served as a law-enforcing officer. I have acquired the knowledge of working with both adults and the youths, and will put this experience forward when making the many decisions necessary as your Justice of the Peace.

I will be available at all times to give what assistance can be rendered to the extent of this office. I sincerely pledge that I will be fair, impartial and considerate while performing my duties should you, the Voters of Beat 5, make it possible for me to serve you in the capacity of your Post 2 Justice of the Peace.

FOREST J. NECAISE
(Pd. Pol. Adv.)

Jervis (Red) Moran
Candidate
Beat 4 Supervisor
Hancock County

I am making my announcement to the voters of Hancock County asking them to elect me to the office of Board of Supervisors, Beat 4. I assure them that I will do the job, I will spend full time on the job, I will build roads and bridges that the people need and cooperate with all other supervisors. When my men are building the roads, I will be on the job to see that the job is being done right to protect the taxpayers money and give the taxpayers their money's worth. I have had experience building roads and operating heavy equipment and know that a job on the road can be done with the equipment that is available in this county.

If elected I assure you that I will favor getting industry and building progress in Hancock County to benefit the taxpayers of Hancock County, and I assure you if I am elected, I will do everything to the best of my ability to benefit the taxpayers of Hancock County.

I want to let you know that I am going to do my best to see every voter of Hancock County if it is at all possible, between now and August 8. If I don't see every voter, I will appreciate your consideration and I would like to ask all voters for their help and support.

Your friend,
Jervis "Red" Moran

Carl J. Moran
Announces
For
Beat
Supervisor

I would like to take this opportunity to announce to the people of Hancock County my candidacy for Supervisor of Beat 4.

I am a graduate of Kila Vocational High School, River Junior College, and hold both a Bachelor's and a degree from Mississippi State University.

I am a veteran of World War II and was discharged in 1945, after 3 years of service, one of the in the battle zones in Europe.

I am married to Geneva Hoda Moran and to the children.

I am the son of the late J. P. Moran who was a member of the board of Supervisors for twenty years. MY PLATFORM IS AS FOLLOWS:

1. To lower the seawall tax (We now pay the highest for gas of any place in the entire state).
2. To remove the \$50 per month cost which unfortunate people have to pay to stay at our old hotel (In most cases if they had the fifty dollars they would have to stay at the old folks home.)
3. To make sure that all of our roads have been graveled. (We have come now that have not had gravel in the forty years since they were built.)
4. To push and work for having the large share a larger portion of our tax burden. (I feel that where near fifty per cent of the land is now owned by corporations.)
5. To work for keeping our bonded indebtedness low. (Brother right now we are loaded.)
6. To pay all people at least one day who are jury service. (You now only receive pay for mileage and actually put on jury. A lot of people lose a day's work.)
7. To give full cooperation and support to the Harbor Commission.

My platform is not just a bunch of promises in clouds. They are practical things that can be done in our County a better place to live.

Father Bambrick on vacation, tell interim pastors

Rev. Kevin Bambrick, pastor of St. Clare's (Catholic) Church, left Sunday for a visit with relatives in Ireland.

Rev. Brian Carroll will be in charge of the parish this week and Rev. James Watts of Jackson will take over until Father Bambrick's return the middle of July. He will be assisted by Rev. Patrick Murray, who has been assigned to the parish for the remainder of the summer.

Father Murray of Pascagoula was ordained to the priesthood last December.

July 1-4

Fish to prove independence

Preparations for the first annual Hancock County Fishing Rodeo are in an advanced stage and the event, set for July 1 to 4, promises to be a dandy.

Miss Martha Griffin, 16, daughter of Mr. and Mrs. Rubio Griffin, will reign as queen during the four-day competition.

Sponsored by the Pearlington Diamond Club, a group of Master Masons formed for an interest in recreation and to be present within the county, the rodeo organizers have put on it on either the number of entrants or area of their territory.

CHECK FOR FIRST RODEO - R.G. (Manny) Hubbard, president of county board of supervisors, seated, hands \$1,000 check from county for promotion of first Hancock Fishing Rodeo to Dan J. Egan of Pearlington, promoter of July 4 weekend project. Seated are Chancery Clerk Marie Quintini and Beat 4 Supervisor Jack Lott. Standing to Charles Hill who is working with Egan on rodeo.

Official weighing station will be at Marina East in Pearlington but Egan says sub-weighing points will be established along the coast on the days of the big event.

All entrants must be registered prior to starting out to make their record catches. This can be done with any of the county merchants participating in the venture or by mail to Hancock Fishing Rodeo, P.O. Box 175, Pearlington. A coupon for the purpose forms part of an advance publicity advertisement appearing elsewhere in this issue of the Sea Coast Echo. A \$2 fee should accompany each entry application.

The extent of participation expected can be gleaned from the rodeo's water boundaries, starting at a point at Pass Christian's eastern city limits, fishermen can try their luck anywhere within an area bounded by a line running from there north to U.S. 11, on the west side of U.S. 11 through Slidell, La., thence to the west end of Lake Pontchartrain Bridge, then south along Chef Menteur to Bayou Biloxi to Chandelier Island east along the island to the state line and then back to the Pass city limit marker.

Starting at sunrise on July 1, all fish entered must be presented to the weighmaster before noon on July 4. Weighmaster's hours will be from 8 a.m. to 7 p.m., July 1, 2 and 3 and from 8 a.m. to noon on July 4. Decisions by him will be final and, in accordance with the custom, all fish entered become the property of the rodeo. On completion of competition the fish will be presented to some local institution, according to Egan.

In lending their support to the occasion the board of supervisors donated \$1,000 for initial advertising, promoter and organization.

For Gulfport rodeo

Cook, Saux, Vaughan selected princesses

Hancock County will have three representative Saturday, June 24, at the beauty pageant of Gulfport's 19th Annual Deep Sea Fishing Rodeo to vie for queenly honors in competition at the Broadwater Beach Hotel in Biloxi.

They are Miss Princy Cook, 19, daughter of Brig. Gen. John H. Cook, jr., USMC ret., and Mrs. Cook; Miss Kathleen Saux, 17, daughter of Mr. and Mrs. Roy L. Saux and Miss Annette Vaughan, 17, daughter of Mr. and Mrs. Norman Vaughan.

Thirteen girls, representing all Gulf Coast counties, cities and junior colleges will participate.

Judging will consist of three separate phases: a pool-side appearance in the morning; a luncheon and the formal affair that night.

Miss Cook, a 1965 graduate of St. Joseph Academy, is attending the University of Southern Mississippi. At SJA she was head cheerleader in her senior year, after being on the squad for two years; editor of the academy newspaper, the Sea Sprite, and secretary of the student council. A member of the Beta Club and the Catholic Student Marching Crusade, she was a model in the St. Stanislaus College's Homecoming Court. Miss Cook received the Alpha Model for outstanding as a average during her senior year. At USM she has been Sweetheart of Sigma Phi Epsilon fraternity, a dean's list scholar, a member of the

student senate, assistant treasurer of Chi Omega sorority and a member of Phi Beta Lambda, business honorary. Her hobbies include sewing, dancing, fishing and crabbing.

A 1967 St. Joseph Academy graduate Miss Saux was active in many school projects and served as president of the Library Club. A member of the National Honor Society, she was a cheerleader for both St. Joseph and St. Stanislaus College and a member of the Beta Club. She received the highest awards in French and Spanish and outstanding achievement honors in English. She was among the top ten in national education tests and has arranged the choreography for various school stage presentations. Her hobbies include swimming, dancing, music, reading and drawing.

Miss Vaughan, a 1967 graduate of Bay Senior High School, has been a member of the Catholic Youth Organization for the past four years, a member of the National Honor Society and was a guiding light in her school's Student Activity Council. President of the Future Homemakers of America as a senior she was also vice president of 4-H, historian of the Garden Club and editor-in-chief of the school yearbook. Presently employed by a retail establishment for the summer months she intends to pursue career in interior decorating and will enter Pearl River Junior College. Her hobbies are sewing, cooking, swimming,

fishing, water skiing and dancing. She also enjoys designing her own clothes.

Flotilla 35 leads area in work for year

George Simpkins, commander of Flotilla 35 of the Coast Guard auxiliary, announced the group is leading the 8th district in number of new members, adding in four oar and rescue missions and 75 courtesy motorboat examinations to for this year at the flotilla's meeting Saturday night at Pass Christian Yacht Club.

Clarence Evans, training officer, reported a new flotilla has been formed at Moss Point after the eight locations were successfully completed. Another class for those interested in this area will begin in about two weeks.

At the request of the Coast Guard, oar and rescue missions in the future will be in cooperation with local police and civil defense personnel.

John Dwyer, rear commander of Division 3, announced Division 4 is planning a rendezvous July 28-30 at Ship Island with Division 2 and 9 participating. Flotilla 35 collected July 9 for a rendezvous at Cat Island and anyone interested in the program is invited to join.

Realtors victorious in extra inning

Trapani's men worked up quite a thrill Monday but Southern Realty locked the house, kept their powder dry and blew up their score to win the first extra inning game this year in Men's Softball League play.

Both teams went into the eighth inning carrying numeral 2's on the scoreboard. The house and commercial property agents' pounded out three runs in the top section of the last session which proved one too many for the Beach establishment boys. Other statistics in the final score of SR 5, Trapani 4, showed the Realtors hit on 14 occasions to their opponents' 12.

Winning pitcher was Claude Yarborough while Gus Alme was charged with the loss.

In the other affairs Monday, Chateau Sea boat, Loder's Friendly Lounge of Lake Charles, 7-5. Fifteen who were accused against losing pitcher Alma Loder while 11 were registered in the score book on plate.

Losing pitcher was Roy Richardson with his brother, Dave, handling the behind plate duties.

Trapani won over Travira, 9-3, on Wednesday, June 7, in this TT trial Billy Murphy handled mound chores for the victors, giving up seven hits, and Jimmy Mayfield, pitching for the builders, gave up 15.

On the same night Southern Realty clashed with Chateau Sea to win the tussle by a narrow margin. Score was SR, 10 runs on 17 hits, winning pitcher Donald Caldwell, the 'Big House' 9 runs on 13 hits, losing pitcher, Fred Scarborough.

Last Friday Travira bowed under to the men from Lakeshore as Loder's Friendly Lounge managed 12 hits off losing pitcher James Mayfield. Closing score was 7-5 although Travira's men managed to clobber 11 hits off pitcher Alon Loder.

Trapani served up a defeat to the boulevard neighbor on Friday night. While wearing his pearl well, the clothiers failed to button up and their 14 hits only brought six runs into the score register. The barrel boys ran up 10 sales and their way their over the counter scores stood when they closed the store. Gus Alme threw the cool pitches for Trapani and J. P. Compton opened and closed business for the losers.

In a rescheduled game played Sunday night, as the result of rain checks issued two weeks ago, Anthony's tackled Southern Realty and for a while did fairly well. Claude Yarborough, 15 on the SR mound, rocked the foundations a little and allowed the new clothes reps to charge around the bases on six different occasions. Claude Yarborough, losing things were not lending themselves to construction of tall order, right over on the hill and prevented further destruction. Stationed in the record book showed final totals of Southern Realty, nine runs on 12 hits, and Anthony's, six runs on 12 hits. Losing pitcher was J.E. Lotocano.

Alme went all the way for Trapani in the second rescheduled game the same night and, although allowing 19 hits, held things to a final score of 9-2 for his side against the power of Chateau Sea. Chateau, with H. Humphrey pitching, saw their opposition hit 18 times to get their final tally.

Legion awards at Pearlington made to pair

American Legion awards were presented Wednesday (Rocky) Pullman and Carol Gilley at eighth grade commencement exercises at Charles B. Murphy School in Pearlington Friday.

Presentations were made by Russell Elliott and Pete Fontana of Clement R. Bentscamp Post 139.

Carol Gilley delivered the valedictory address and Rocky Pullman the salutatory. Diplomas were presented by Superintendent of Education Robert Loder.

JOINING FEDERAL SYSTEM - Maurice Black, executive officer of Mississippi Board of Savings and Loan Assn., cuts ribbon formally dedicating Coastal Savings and Loan Assn. Saturday on insurance of its accounts with Federal Savings and Loan Insurance Corp. and member in Federal Home Loan Bank System. Officers and directors of local group standing.

Coastal firm celebrates going federal

H.B. Proctor, vice president of the Federal Home Loan Bank of Little Rock, Ark., spoke Saturday on Coastal Savings and Loan Assn. celebrating insurance of its accounts with the Federal Savings and Loan Insurance Corp. and membership in the home loan bank system.

Maurice Black, executive officer of the Mississippi board of Savings and Loan Assn., extended felicitations from the state and cut the ribbon.

Congressman Hale Boggs of Louisiana was a guest for the occasion and members of the advisory board, announced last week, were introduced.

Door prizes were won by Curd Asher, Eugene Richmond, Milton Dural, Daisey Mae Budd, Josephine Joseph and Lucille Kovace. Refreshments were served afterwards and gifts distributed.

A party followed at the home of Dr. and Mrs. A.K. Martinovich, Jr., on Saube Street honoring the advisory board, directors of the association and other guests.

School budget...

(Cont. from Page 1-A.)

The mall route followed suggestions by Charles Hill of Pearlington who earlier this month was instrumental in instituting the system of mailing an agenda to trustees ahead of each session so the men could prepare themselves and gather related data or obtain information on any of the subjects thereon. Lader was one better. After providing an advanced agenda for Monday's session the superintendent said that from here-on trustees would be mailed a copy of the previous meeting's minutes along with the program of forthcoming sessions.

Trustees agreed with the new arrangement. Hill said that as he was comparatively new on the board he would not even consider voting on the budget until he had had ample opportunity to study the amount against each item in comparison with last year's.

Three firm accounting totals were then given. Two were a pleasant surprise to the board and one came as a bit of a shock. In reading activity fund balances for the three schools, one of the end of classes, Lader reported Hancock North Central finished with a balance of \$5,082.70, up from last year's Pearlington, \$673.28, in the black for the first time in several years; Gulfview, \$51.52. The latter figure caused quite a stir but Edward P. Ortiz, president, said he thought the school had purchased several items of needed equipment from the fund when it became obvious such could not be provided by the system. This equipment, he thought, was in connection with lunchroom facilities. Lader to inquire and report back.

One hundred and thirteen students are registered for summer school at Hancock North Central it was learned. All are paying tuition and this income goes towards school plant expense and teacher's salaries during the six week period. The breakdown of subjects and pupils enrolled approved for the minutes was, U. S. history, 24; American government, nine; Mississippi history, three; English I, 32; English II, 25 and English and IV, 20.

Mrs. P.R. Turnpseed was a hired for elementary instruction at North Central. Recommended by Lader, Mrs. Turnpseed has just completed her bachelor of science degree in elementary education at University of Southern Mississippi and holds an A teaching certificate. She is the mother of three children. Lader said her pay will be in accordance with the county scale for a teacher with an A certificate but without previous teaching experience.

Mrs. L.J. Jacobi

Final rites were Wednesday morning for Mrs. Louis J. Jacobi, 97, who died Monday night at her home, 130 Main Street, after being in ill health for several years.

The former Jeanne Canavese she was born Aug. 21, 1879, in New Orleans and had lived on the coast for 33 years, 27 on Bay St. Louis and also in Waveland. Her late husband founded Baby's Bath.

Supervisors...

(Cont. from Page 1-A.)

Supervisor H.G. Dean of Beat 1 worried that with the type of people getting commodities through the welfare department they would be open to abuse. He noted it would ultimately three of the four people who administer the program. Dolph Kellar of Beat 2 seconded Dean's motion opposing a change at present and said he had asked the county welfare board for an opinion of the matter. Beat 5 Supervisor R.G. Hubbard, Jr., expressed fear some grocers would take the stamps for beverages rather than food. Mrs. Francis Lewis said any grocer abusing the program couldn't participate.

She reported indications that the Office of Economic Opportunity will not fund its part of the commodity program after Dec. 31 and the county would have to furnish transportation for the commodities. The stamps also would eliminate need for a warehouse.

One revision in the county's recent sub-division ordinance was adopted. It provides that sub-divisions within a municipality do not have to be reviewed by the supervisors if they are approved by the municipality and proof of that is presented to the chancery clerk when they are filed.

The board received and held for consideration at millage voting time a request from Mrs. E.C. Samuel, president of the City-County Memorial Library board, that the levy for the library be increased from .25 mill to a full one mill as permitted by law. She wrote that present funds cause inadequate and pitifully low pay for the staff. The librarian gets \$150 a month, the assistant \$90 and a helper, \$64, well below the \$1 an hour going pay. More millage also would enable the library to proceed with its plans for a new building, she wrote.

Bids were called for a new pick-up truck for the MTO security patrol and trade-in of the present vehicle. The expenditure to provided in the new contract with the truck also. Supervisors asked for a custom cab, six-ply tires and V-8 motor.

Supervisor Dean, who thought he was going to inherit Lakenore and part of Clermont Harbor if the county was re-districted, asked Supervisor Hubbard to provide some shells for the roads he had been grading in Hubbard's beat. Hubbard replied he didn't know Dean had been working in Beat 5 and was doubtful about shelling roads in one area when all the rest of his constituents would want come. "You don't work half the sub-divisions you have," Dean complained. "I know because I've checked."

BETTER PRICE THAN NEW ORLEANS

Mr. and Mrs. Clyde Coles of New Orleans found a better deal in Bay St. Louis on a pick-up truck at Gerry Lane.

We just recently married and decided to buy a new truck for our second car. We were visiting in Bay St. Louis and heard about the great deals the new Chevrolet was giving - we stopped and got prices, we then went back to New Orleans. We shipped some of the larger dealers there and found that the dealer in Bay St. Louis was cheaper on the initial price of the truck and had a cheaper rate of interest on financing. The month of Gerry Lane Chevrolet. "The only deals we miss are the ones we don't know about" is not only a good slogan, but Dave Sloan proved it to be true.

PLOTTING ITI KANA DRIVE - Mrs. Wilfred Gollotte, relationship director for Gulf Pine Girl Scout Council, standing, checks plans with Mrs. C.C. McDonald, chairman, and Mrs. Sam Whitfield, co-chairman, to raise \$2,000 locally for Bay St. Louis neighborhood's building at council's Camp Iti Kana.

Girl Scouts open drive for Iti Kana building

The Seabees are doing the work, local building supply firms have contributed the materials, now it's up to the local residents to provide \$2,000 by July 1 for the building at the new Girl Scout camp Iti Kana of the Gulf Pine Council.

Mrs. Wilfred Gollotte, relationship director for the council, met Monday morning with the local volunteer committee headed by Mrs. C.C. McDonald and Mrs. Sam Whitfield to outline the capital fund drive for the United Fund agency.

The Bay St. Louis Girl Scout neighborhood has been assigned the trading post and director's office building at the camp, only resident establishment of its kind in South Mississippi for Girl Scouts.

Thirty-six feet across the front and 16 feet deep, the Bay St. Louis building will be the first one visitors reach at the camp site of State Rt. 13 between Lumberton and U.S. 49. The Gulfport-based Seabees, who are using the construction as a training program, drew the blueprints for all the camp buildings, so each community could start soliciting funds with which to complete their assignment.

Chris Barkley is due RN degree Sunday

Christina Barkley, daughter of Mr. and Mrs. Joseph Barkley of Rt. 1, will receive her degree in nursing Sunday from Mercy Hospital-School of Nursing at Vicksburg.

She will be the first Candy Sargent from Hancock General Hospital auxiliary's teen-age volunteer program to become a registered nurse.

A 1964 graduate of Bay High School, Miss Barkley has served as secretary-treasurer of her junior class at Mercy-School and was on the student council. She also was secretary of the Vicksburg Acon. of Student Nurses in her second year and as a senior was president of the association.

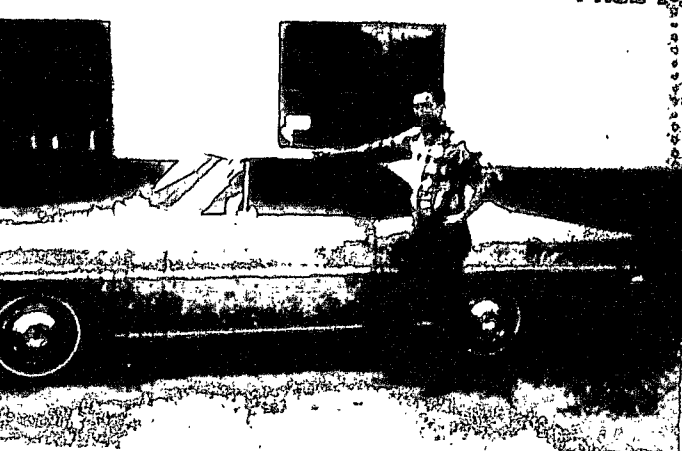

Miss Barkley plans to do staff nursing at Mercy Hospital until after the state board examinations in October.

REASONABLE PRICE - Tommie Chapman found out that, as well as good service, a car offered a new car at a reasonable price.

I live in Bay St. Louis and wanted a new car. I was looking for a reasonable price and good service, my brother had bought a car from Gerry Lane Chevrolet and had received excellent service, so price was the only thing I was really concerned about. I found the right car at my price with John Gallagher. I believe their motto, "The only deal we miss are the ones we don't know about."

Vernon Parker gets MA in public health

Vernon (Buck) Parker received a master of public health degree from Tulane University School of Medicine May 20.

On May 1, he was promoted to first chief of the newly formed Air Control Section, Division of Public Health Engineering of the Louisiana State Board of Health, New Orleans on which he has served for 10 years.

Valedictorian of Bay High's graduating class of 1952, he received a BS in civil engineering from Tulane and served with the U.S. Air Force from 1957 to 1960.

Son of Mrs. Walter Parker and the late Mr. Parker of 223 Washington Street, he is married to the former Gertrude Burke of St. Louis, Mo. They have two children, Vernon, Jr., and Christa Lynn.

The Parkers left New Orleans June 9 to attend the National Convention of the Air Pollution Control Assn. in Cleveland, Ohio.

we care

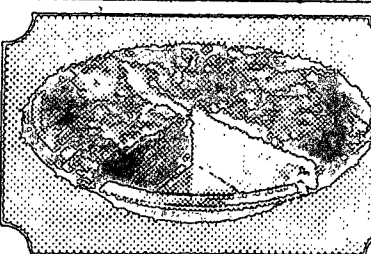

say Dad... ever wonder how Mom got the money

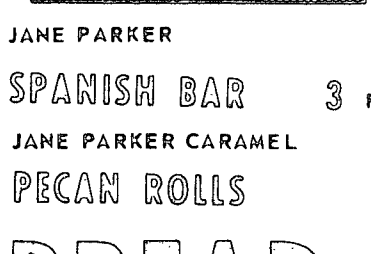

Come Sunday morning, will you be one of the millions of fathers who are forever amazed? Will you look at your new fishing reel or power tool or camera and wonder: "How did Mom get the money?" You'll know she didn't rob a bank... and she didn't sell the car. Maybe, just maybe, we can give you a hint. Is Mom an A&P shopper? Could it be that the savings she makes each week of the year add up to so much? Why not ask her? Before you do though, better take a quick look in the garage to make sure the car's still there.

Harris. Mr. Blaize
ed in New Orleans
Lynn Harris, and Mrs. John Harris, of New Orleans, who were married at Oak Park Church, with Rev. E. J. Melton, officiating, on the 14th of May. The bride, Mrs. Harris, is the daughter of Mr. and Mrs. J. W. Blaize, of New Orleans, and the late Mayor of Bay St. Louis. She was married to Mr. Harris on the 14th of May. The groom, Mr. Harris, is the son of Mr. and Mrs. J. W. Blaize, of New Orleans, and the late Mayor of Bay St. Louis. He was married to Mrs. Harris on the 14th of May. The wedding was held at Oak Park Church, with Rev. E. J. Melton, officiating. The bride and groom were accompanied by their parents and other relatives. The reception was held at the Viana Shore Club. The bride and groom were both graduates of the University of Louisiana at Baton Rouge. The bride is currently a teacher at the Bay St. Louis High School. The groom is currently a teacher at the Bay St. Louis High School. The couple plans to reside in New Orleans. The wedding was a private affair, with only close family and friends in attendance. The bride wore a white gown with a full skirt and a long train. The groom wore a dark suit with a white shirt and a dark tie. The wedding was a beautiful ceremony, and the couple was blessed with a large number of guests. The wedding was a memorable event for all who attended. The bride and groom were both very happy on their wedding day. MRS. KENNETH JOSEPH PLUNKETT

Kenneth Plunkett takes Juliette Palmer as bride

Miss Juliette Marie Palmer, daughter of Mr. and Mrs. George Joseph Palmer of New Orleans, became the bride of Kenneth Joseph Plunkett, son of Mr. and Mrs. Joseph Harbison Plunkett of Bay St. Louis, in a ceremony at Church of the Most Holy Name of Jesus Sunday afternoon June 3.

Rev. John Schwing of Mobile, Ala., officiated before the altar adorned with bouquets of white peonies, orchids and gladioli.

Mr. Palmer gave his daughter in marriage.

Miss Ann Alcap was maid of honor and other attendants were Mrs. Paul A. Haynes, Mrs. Joseph Patten Macburn of Hammond, sister of the groom, Misses Patricia McCarroll, Mary Stewart and Karen Oser, Misses Carolyn Conway Palmer and Daphne Yvonne Palmer, nieces of the bride, were flower girls and Christopher, a nephew, was ringbearer.

Michael Plunkett of Bay St. Louis was best man for his brother. Greeters and ushers were Walter Palmer and a Verna V. Palmer, brothers of the bride.

LIFELONG FRIENDSHIP—Walter C. King has known Fritz Peranich all of his life so he came to Gerry Lane Chevrolet from Harrison County to buy a Camaro.

I just got out of the service and wanted a new Camaro. My father had bought his new Chevrolet from Fritz Peranich. He took me to Gerry Lane Chevrolet to see and talk to Fritz as he has known me all of my life. When we got there Fritz was out and Herb Boren helped us until Mr. Peranich got back. We found this kind of cooperation not only in the sales force but in the back as well. If you are in need of transportation our family cordially recommends everyone at Gerry Lane Chevrolet.

General John H. Cook, Jr.
Announces his candidacy for
Supervisor Beat 5
Hancock County

I would like to take this opportunity to introduce myself to the people of Hancock County by means of a brief biographical sketch.
I was born in Pascagoula in 1908; graduated from Clarkdale High School, 1927; upon graduation from the U. S. Naval Academy, 1931, was commissioned a Second Lieutenant U.S. Marine Corps and was assigned in 1939 as a Brigadier General. We collected Hancock County as our retirement home when we retired here in 1946 while I was on duty in New Orleans. Since our coming in 1946 I have spent most of my time concentrating and regaining my time at 1522 North Beach. I have been a part time teacher of Math at St. Joseph's Academy.
We have two sons and one daughter. One of our sons is a Lieutenant Commander U.S. Navy; the other, a Captain, U.S. Army. Our daughter Priscy graduated from St. Joseph's Academy in 1946 and is now a Junior at Southern.
My wife Marion was the first teacher for the Newcomer Groceries Service and has taught General Salsac at St. Joseph's Academy for the past three years.
I AM SEEKING THE OFFICE OF SUPERVISOR BECAUSE I SERIOUSLY BELIEVE I CAN GIVE THE CITIZENS MORE SERVICE FOR THEIR TAX DOLLAR THAN THEY HAVE RECEIVED HERETOFORE. TO THIS END I WILL DEVOTE FULL TIME TO THE JOB.
I will express my views on the various subjects pertaining to the duties of the supervisor in later ads.

Anne Frank Worker win as top plays

The diary of Anne Frank and The Miracle Worker were judged the best productions of the Little Theater for the 1946 and 1947 seasons. It was announced at the annual meeting Monday night. Both plays were directed by Bert Barren.

Judging was by two secret committees. Twelve Angry Men, directed by Paul White and Lloyd Curwen, was declared second best in '66. Runner-up last year was the musical, The Fantadico, directed by Mrs. John McKenna.

Five members of the board of directors whose terms were expiring were re-elected. They are Joseph Marchbanks, Mrs. Harold Kestle, Mrs. Rene de Montbasta, Mrs. Charles LeCroy and Paul M. White, Jr.

Membership in the theater is still open for the season just beginning. The next play which was in rehearsal before the recent production of Mary, Mary, will be a drama, Anas-tasia. With Barren directing, it will be presented for four nights beginning Wednesday, June 26.

After that Barren in the Park, directed by Mrs. C.E. Loretto, is planned for Labor Day weekend.

By L.S. (Doc) Ellison

The rains and cold from which reached this section the other weekend hampered fishing quite a bit but conditions are back to normal. Bass and perch are biting pretty well especially at Mularo, White's and Coward Bayou. Some salt-water fish are being caught on both the highway and railroad bridges and up Jordan River. You might not catch a bushel of fish at these spots but with a little patience and dead shrimps a mess of saltwater fish can be caught most anywhere, even off the seawall either down Cedar Point or Bayou Caddy way.

Soft crabs and flounder are getting to be a bit and miss proposition. One night you get a few and the next time out, you throw a blank. It's about like the redistricting of the voting precincts in Hancock County. One year you vote in one precinct and the next, no one knows where to vote. Fishing is like this. Fish are caught in one place and another time in another spot.

Many bills are passed into law because the opposing citizenry becomes worn down, weary, and apathetic due to the prevalence of the bills' proponents. Such a thing could easily happen with gun legislation still being considered by Congress.

Now is the time to write your Congressman and express your feelings as a sportsman and a home protector. Very important, don't give up until the bill has been defeated.

Caught up Jordan River from the mouth and further up, several good catches were made by those using earth worms.

With they would invent a machine that would find out why a bass sometimes prefers a black worm with a red tail to a blue one, the fishermen would appreciate that, too.

Lloyd J. Dunaway, who has a home on Bayou Coward, and his buddies, made a nice catch of green trout and perch Sunday morning. He said they were really hitting bugs on the fly rod.

Jack Megstayer, after a lay-off has gone back to fly fishing. He caught some nice green trout Tuesday. A little practice will help, Jack.

Some real nice shrimp are in the fish markets right now. They are not only good fish bait but are a delicacy when it comes to eating. Shrimp balls will be numerous from now on.

Fred Garner has been catching some beautiful speckled trout. He came in from the marshes with a boat load. Fred, when not commercial fishing, loves to catch bass and perch up Pearl River.

Laverne Pahlman and son, Johnny, are getting their paraphernalia ready for some fishing and camping trips.

SPORTSMAN OF WEEK

Ardent fisherman and native of Bay St. Louis, Henry Masti of Merchants Bank spends many hours out after many trips. Masti is also known as a soft shell crab fisherman and overall sportsman.

A falling tide? Floundering is done from a boat with a Coleman lantern and spear. Using a long piece of steel rod is best. After hitting a flounder,

Jack berries are at their best now. They are ripe and the woods are full of them. There is nothing better than a blackberry pie like mother used to make. It is a lot of fun picking them, too.

Soft ball is at its height with tournaments weekly. There are some mighty good teams hereabouts which furnish a lot of fun for local fans. Players are always welcome to join a local team. Sign up if you like this sport.

Mr. and Mrs. Marchand of Bayland love fishing off the seawall.

Al Kingston, one of our local barbers, spends his leisure time out fishing. He knows how to catch 'em and talks fishing all day with his customers. Know anything any better, boys? Al! He sells some mighty good fishing tackle as a side line at his barber shop.

Jim Kelly's fishing camp on Mularo Bayou is in full operation for the summer. It is a swell place to rent a boat to go fly fishing, etc. The surrounding bayous are full of bass and perch. Ask Jim, he will tell you where to catch them.

Al Vetter says with day light saving time you can go out any time after work and catch bass and perch. He has been catching his share, he claims.

Did you know that flounder-ing up Jordan River pays off on
